Secondary Post

Secondary Computer Science/ICT Teacher

Foley's School is a prestigious private international school in Limassol with an established reputation for academic excellence, high standards of discipline, and a rich and diverse extracurricular programme.

We are seeking to appoint an enthusiastic and committed Secondary Computer Science/ICT Teacher to join our Computing department. This is an exciting opportunity for an outstanding practitioner who is passionate about Computer Science/ICT and dedicated to delivering high-quality teaching and learning in a supportive and ambitious school environment. The ideal candidate will be passionate about teaching and learning, have excellent classroom management skills, and be committed to supporting the academic and personal development of every pupil.

The Role:

The successful candidate will be responsible for teaching ICT and Computer Science across the Secondary School, including exam classes where appropriate. The post holder will contribute to curriculum development, promote high standards of achievement, and support pupils' academic and personal growth.

Requirements:

- Holds a relevant degree in Computer Science (or related field)
- Has experience teaching ICT at KS3/IGCSE Level and/or Computer Science at IGCSE/A Level (or equivalent international curricula)
- Demonstrates strong subject knowledge and excellent classroom practice
- Uses assessment effectively to support progress and achievement
- Is committed to positive behaviour management and pastoral support
- Works well collaboratively within a team and contributes to wider school life

Desirable:

- Experience working in an international school setting
- Familiarity with the British curriculum
- A recognised teaching qualification (e.g., PGCE, QTS or equivalent)

We offer:

- A welcoming and professional school community
- Highly motivated pupils and supportive families
- Excellent teaching resources and facilities
- Opportunities for professional growth and development
- A competitive salary and benefits package (commensurate with experience)
- The opportunity to live and work in a beautiful Mediterranean setting

How to Apply:

Please submit your application, including a cover letter outlining your suitability for the role, a recent photograph, and your CV to jobs@foleysschool.com by **Monday 30th March 2026**.

Please include your full name and “**Secondary Computer Science/ICT Teacher Application**” in the subject line of your email.

Shortlisted candidates will be contacted for interview.

Closing Date: Monday 30th March 2026

We are committed to safeguarding and promoting the welfare of children and young people. All appointments are subject to satisfactory references and safeguarding checks.

We look forward to welcoming an inspiring educator to our team!
